Where it is not possible to arrange for Priestly cover at St. Peter's the following happens:

Representative from St. Peter's or the Abbey attends the Abbey at 10am, having with them the wooden pyx and plastic bottle from the aumbry in St. Peter's. They are the 'courier'. These are filled with c.30 wafers and wine (available at the Abbey)

Whoever is on Priestly Duty at the Abbey consecrates these, communicates the 'courier' (alongside the two Abbey distribution assistants) and gives them the pyx and bottle. The courier takes these to St. Peter's for distribution.
