### Outline

- This Mission Action Plan (MAP) is (and probably always will be) fluid.
- We have to meet the needs of the Parish with the tools we have – and sometimes these tools will change alongside circumstances.
- The MAP is however here to help us focus on priorities and these priorities must be people centred first.
- The MAP will also help us not to forget the things we do not see as priorities, but ensure they too are part of our tasks.

The MAP will need – as a first step – to identify a number of 'key team members', clergy or laity, stipendiary or volunteer, who will, within the oversight of the Vicar, Wardens and PCC, be asked to deliver the outcomes.

### In particular these will (or may) include:

- Vicar
- Mission Colleague
- **Abbey Manager**
- Prayer Co-ordinator
- Discipleship Group Co-ordinator

### Bold – already exists

- Pastoral Team Co-ordinator
- Schools' Outreach Co-ordinator
- Residential Homes (& House Communions) Co-ordinator
- **Director of Music**
- **Guides / Shop Manager**
